WIN a ***Modern*** Cloth Nappy!

www.MyGreenNappy.org presents:

- The 100 Green Promise Nappies Initiative -

It's a Giveaway Event!

- Tired of spending $$$ each week on disposable nappies, only to throw them in the bin?
- Modern nappies are shaped, fitted and easy to use. They can save you $100 each month!
- With 1 'Green Nappy' you will save money every time your baby wears it!

What better way to try one out than to *WIN* a modern cloth nappy?

Register to play in this seasonal online contest that will introduce you to an array of eco-friendly and fashionable modern nappies made *down under*. Visit sponsors that have donated a Green Promise Nappy, answer a simple question they'll ask you and enter it for a chance to win. Modern Nappies are thrown in the wash, not the bin. Your baby will wear a **trendy**, beautiful and *soft* nappy as you reduce your waste and save money for other needs. It's environmentally friendly to have even ONE modern cloth nappy for your baby to wear…

This seasonal giveaway event runs for the first six weeks of each season, starting in winter 2010.
